## EXPERIENCING LOVE 2008 WOMEN'S RETREAT

---

On behalf of The Center on Christian Relationships (CCR), we would like to extend an invitation to your organization to become a contributing partner in our efforts to provide business and resource information to our conference participants. CCR is requesting your company to participate as a retreat sponsor and advertise in our 2008 Women's Retreat Family and Business Resource Guide, which will be distributed to all of the retreat participants. The event is scheduled for Friday September 19<sup>th</sup> through Sunday September 21<sup>st</sup> 2008. The event will be held at the Wyndham Peachtree Conference Center in Peachtree City, GA. The theme of this year's Retreat is "Experiencing Love". Our conference leader and speaker for the weekend event is Kim Moore, co-founder of Center on Christian Relationships, along with her husband Dr. Tony Moore.

The Center on Christian Relationships is a non-profit organization that designs and distributes faith-based educational materials and learning experiences for adults of low to moderate income. Programs, seminars and retreats are open to all races and denominations.

Please review the enclosed advertisement opportunities and feel free to contact myself for additional information. Several sponsorship opportunities are available for you to advertise your product or service to successful women of various ethnic groups from all over Metro Atlanta and abroad. A portion of the proceeds will benefit battered women.

We look forward to your participation and partnership in our efforts to minister to women in our community.

Sincerely,

Toya Davidson  
Conference Director
